Below is a step by step guide to registering acts online.

Go to www.rainbowdancecomp.com.au

Sign into your studio account:

STEP ONE:

MANAGE ACCOUNT, click add dancer

You will need to have dancers full names and DOB, this will also ask you the number of years the child has been performing, please make sure all of these details are correct.

Once you have added all attending dancers;

YOU WILL NEED TO GO BACK INTO YOUR STUDIO CENTRE, you can do this by clicking the pink (studio centre) box at the top right of the screen

STEP TWO:

COMPETITION PERFORMANCES, click add performances

Once you have entered all details please click submit.

PLEASE NOTE:

Once your studio adds a performance you will not be able to change existing dancer levels.

You will be able to add dancers at a later date however you will not be able to change the level of a routine.

If you require further assistance please contact me on 02 8091 6791 or email registration@rainbowdancecomp.com.au
